### Reduced-Fee and Fee-Waiver Attendance

The IACC offers reduced-fee tuition rates to government-employed attorneys and members of the judiciary.

In addition, attorneys who are currently unemployed, employed by a non-profit organization engaged in legal activities for the benefit of the public interest, or attorneys who, due to other extenuating financial circumstances, would be unable to attend educational programs may be approved for reduced or waived fees. Such requests are considered on a case-by-case basis, and determinations will be based on the consideration of all relevant factors.

Attorneys who qualify will receive at least a 50% reduction in the course fee.

All requests for financial aid or fee waivers should be submitted in writing to Lia Acosta, Event Coordinator, 727 15<sup>th</sup> Street NW, 9<sup>th</sup> Floor, Washington, DC 20005 at, or before the time of registration.
